WITH UCONN EXTENSION

Improving Poultry Production Using Natural Interventions

Wednesday, April 26, 2023, 10:00AM - 2:00PM

Tolland County Extension Center

24, Hyde Avenue, Vernon, CT-06066

Join UConn Extension and a team of experts for an informative presentation and discussion on poultry health and disease, the use of various additives in poultry production, and related topics.

Registration is required by April 23 for the complimentary lunch provided.

Topics Covered

- Introduction to sustainable poultry
- Basics of poultry health and disease
- Application of various natural compounds in production
- CT Poultry Association update
- Beneficial bacteria for poultry
- Q+A with the speakers and CT Department of Agriculture
